Further information concerning the alert

Information on national legislation	080	<p>Dear Colleagues,</p> <p>We have considered the attached request. The request does not currently provide sufficient detail of the nature of the offence: it also lacks a description of the time and place at which the offence was committed. The request must also show a clear connection between the offence and the named individual.</p> <p>In order for this request to be progressed under the Extradition Act 2003 please can this further detail be provided as a matter of urgency.</p> <p>Once this information is added to the request it will be certified by the NCA and arrest plans can then be made by the police as they deem appropriate.</p> <p>In our previous message (2019-11-06 08:20 UTC) our reply incorrectly stated that the warrant was disproportionate – it is not disproportionate, it is just currently lacking in essential information.</p> <p>We apologise for this miscommunication.</p> <p>SIRENE UK</p>
